Thank you Joyce for the very timely review of the Third West Project Work Plan documents. We will make the requested revisions and understand that with these revisions, the documents are considered approved from an EPA perspective. We will send the requested notification once the revisions are made.

Craig:

We look forward to receiving your comments and approval/concurrence by June 13th as previously stated.

Again, thank you all for your time and review.

Regards,

Brian King
